OFFICE NOTE.

SUBJECT. Right to Toddy Rev by Inamdar Tanjore Krishnayer of Damanigoad Village, Channapatna Taluk, Bangalore Distt.

LAST REFERENCE. Letter No. _____ dated _____

from _____

Toddy Rev: Consists of two distinct items Viz (a) an "Excise duty" and (b) a "Rent for Toddy trees. The Excise "duty" is paid for the privilege of selling Toddy which is an excisable article under a Special Law. The "Rent" is in the nature of a payment to the landlord as the price of the produce of the trees standing on his land.

2. The Sanad is silent as to the Inamdar's right to both "Duty" as, as a matter of fact he has no shops in his holding

to sell the toddy and thus es
tablish his right thereto.
3 The trees are his and he is
entitled to the "Rent" realized es
therefor - less Collection Charges,
4) Royalty to acquire the right
to tap for sale, as the article
is an excisable item.
4. We can cut down the
trees and burn them or sell
them or do any thing he likes,
but tap them to draw toddy,
for sale. We can draw to
make jaggery but in that case
he must pay a "Royalty" for
the right to do so or get a
Manufacture Licence, if Govt waive
their right.
5. The rates fixed by the
Excise Comm are excessive and
prohibitive for purpose. They
are not generally adopted even
in Madras but in certain es
pecial tracts. In my notes
I have given a scale of charges
which may be justly and
equitably remunerable from
Toddy drawers.

Sir,

I am the Jodidar of the Daimana Enda village of the Chennapatam Taluk. I addressed several petitions to the Deputy Commissioner of Bangalore for the payment of revenue due to me on account of both Toddyshop and lease of date trees of the said Jodi village from 1892-3 upto 1896-7. I received an advance only for the lease of date trees for three years that is 1892-3, 1893-4, and 1894-5 but not shop rent for any of the years although my

title to it has been proved to be beyond all doubt. The Deputy Commissioner gave me the accompanying endorsement No: 138 dated 5/6 February 1897 stating that the Government had not authorized the payment of Toddy dues of Imandars and that my claim would receive notice when the orders of Government are passed. I therefore humbly beg that you will be pleased to do me the favor of moving the Government in the matter and obtain its orders for the immediate payment of revenue due to me on account of Toddy shop from 1892-3 to 1896-7 and on account of Lease of Date trees for 1895-6 and 1896-7. As I am now very sick and

13

confined to my bed and stand in need of money for my expenses, I humbly pray that Government may be kindly pleased to order the payment of the said revenue at once, as I have no other means of livelihood and suffer much in my ill-ness for want of means. If it is not possible to settle my case at once, I earnestly and humbly pray that an advance may at least be now ordered to be immediately paid to me as was done on a former occasion.

I beg to remain
Sir,
Your most obedient Servant
J. Lachmayya

But the Dy Commr & the General Asst Commr say that there is no Shop in the Village & the former Officer has also recorded that the Inamdar is not entitled to same The Inam Register merely says he is entitled to the revenue from the Shop & it is not therefore clear. What the Petitioner means by saying that he is entitled to the Shop rent also, when there is no Shop in the Village — Please see the Dy Comrs remarks on the memo Page 4 & 3.

Petitioner also applies for advance of Toddy revenue of his Village for 1895-96 & 1896-97 which can only be allowed to him by Inamdars.
